Message from the Directors

Welcome to our annual Spring Showcase for Devotion Dance Company. Our mission is to help guide every individual on their journey to developing confidence and coordination while creating everlasting memories within the studio. Dance is more than just a sport to us; it encompasses discipline, support, determination and creativity which leads to self-assurance. This is made possible by you, their parents, who have given these students the brilliant opportunity to study the art of dance. We are devoted to

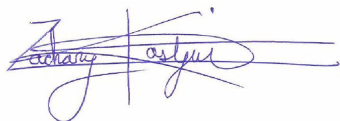

teaching the highest quality of dance through energetic classes, providing plenty of performance opportunities and selecting the most passionate teachers to train our students.

This year our competitive dancers performed at two competitions in Ottawa & Kingston with fantastic outcomes. These results can be found in our program underneath each routine's title. Our team was amazing at supporting all other dancers and studio's while representing our studio at these competitions which exemplifies exactly what DDC is about - supporting everyone's individual journey and growth.

All of this would not be possible without the commitment and support from EACH AND EVERY ONE of our growing Dance Family members. Whether you're a parent who is constantly getting their dancer to class on time, a last minute seamstress, a teacher's assistant, a choreographer, prop builder, fundraiser, or even a motivational "Whoo"er at competitions; we all should take pride in everything this studio has accomplished. The overwhelming dedication and support from the team only shows how bright the future will be for Devotion Dance Company.

To all the friends and family of Devotion Dance Company, we thank you for joining us today on this monumental occasion and hope you enjoy our 2023 Spring Showcase.
